### **KOLAS Customers Are the Best...**

"This was our first time at the new location, and just wow!! Customer service was absolutely the best! We went with our mom to get her some supplies, and (our budtender) was so patient, kind and answered all her questions. We will definitely be coming back here. Thanks again for making this a memorable and fun experience:)"

"These folks are awesome. In fact, at all the locations, the staff are the best in the business. When I moved to California from Oregon in 2017, finding a dispensary was my first task. After trying out recommended stores, I went to the Main Ave store. Definitely 5 stars. KOLAS in Sacramento are awesome."

"They always have an answer every time you ask them questions. Now I know a lot more about the CBD products. They are very loyal to what they do, and I love that."
